"WHEN 'JUST OK' IS NOT GOOD ENOUGH: An Exploration of the Conservatism Corollary"

Date: 3rd July 2025 ; Time: 3:00 pm – 6:00 pm IST
Venue: Zoom Online

Hungry for more information about Social Role Valorization? Had some basic training in it? If so, then this workshop is for you. Please join us as we introduce participants to a powerful component within SRV known as the Conservatism Corollary. This has nothing to do with politics, but DOES have to do with strengthening the options we offer to people as we help them to have access to the good things of life.

Pre-requisite: This workshop is by invitation only to those who have completed a full one-day dedicated course on SRV (The Power of Roles) is necessary.
